PURPOSE:

Milam Management Group, LLC is requesting annexation of the property located at 3904 and 3904-ZZ Randleman Road, generally described as west of Randleman Road and north of Pitman Road. As this request is a voluntary annexation petition, the City Council will conduct a public hearing to consider and take action on this request at its October 19, 2021 meeting.

BACKGROUND:

This noncontiguous annexation is within the boundary of Growth Tier #1 on the Anticipated Growth Maps in the Comprehensive Plan.

City water will be available by connecting to the 8-inch line located within Randleman Road. In order for this site to be served with water the owner would be responsible for all costs associated with extending and connecting to the public line.

City sewer will be available by extending and connecting to the 8-inch line located approximate 1,144 feet to the west in Foxtrot Road. In order for this site to be served with sanitary sewer the owner would be responsible for all costs associated with extending and connecting to the public line.

The City's Fire Department notes that this site is currently served by Pleasant Garden Station #3 on Pleasant Garden Road (southeast of the site). Upon annexation the site will be served by City Station #61 on West Vandalia Road (north of the site). Response to this location should improve for both single and multi-unit incidents if annexed.

The Police Department can provide comparable response service to the property under consideration as of the date of annexation. Additional resources may be required as development on the subject property and/or additional annexation in the general area occurs.

Provision of other City services will involve a travel distance almost equal to that necessary to provide service to the previously-annexed property located to the north and west.

BUDGET IMPACT:

Initial service will be absorbed in the budget; future services will have an incremental effect on future budgets.

RECOMMENDATION / ACTION REQUESTED:

The Technical Review Committee (TRC) recommended this annexation to the Planning and Zoning Commission and to City Council.

The Planning and Zoning Commission recommended approval of this annexation at its September meeting on a vote of 7-0.

Accordingly, it is recommended that City Council hold a public hearing to receive public comment and to consider adoption of an ordinance annexing the above-mentioned property into the City of Greensboro.
