**PURPOSE:**

The Water Resources Department is requesting approval of a change order to contract 2020-5078 for ongoing System-wide Collections and Rainfall Monitoring Services. City Council approval of a Change Order with ADS Environmental Services in the amount of \$ 28,000 is requested.

**BACKGROUND:**

ADS Environmental Services has an existing 3-year sewer flow monitoring contract with the city of Greensboro. This contract provides for a collection system platform and expertise to monitor flow conditions at strategic locations throughout the City's sanitary sewer collection system. This change order provides for additional flow monitoring data needed to drive system capacity analysis and help identify areas in need of sewer inspections. For this change order, the project team will consist of ADS Environmental and Taylor Engineering, a local WBE, with contract utilizations of 9.08%. The total MWBE participation for this contract is 9.08%.

**BUDGET IMPACT:**

Funding in the amount of \$ 28,000 is budgeted in the Water Resources Supply Operating Fund.

**ACCOUNT NUMBER:**
