**Advertising Date/By:** 7/7/2022/by City Clerk

**Contact 1 and Phone:** Sue Schwartz, Ext. 2149

**Contact 2 and Phone:** Steve Galanti, Ext. 2918

### PURPOSE:

ZAS Ventures, LLC is requesting annexation of the property located at 5701 West Gate City Boulevard, generally described as southeast of West Gate City Boulevard and southwest of Anson Road. The portion of right-of-way containing West Gate City Boulevard is located between the site and Greensboro's current city limits and is annexed as part of this request. As this request is a voluntary annexation petition, the City Council will conduct a public hearing to consider and take action on this request at its August 1, 2022 meeting.

### BACKGROUND:

This contiguous annexation is within the boundary of Growth Tier 1 on the Anticipated Growth Maps in the Comprehensive Plan.

City water will be available by either connecting to the 8-inch line located within West Gate City Boulevard or the 6-inch line located within Anson Road. In order for this site to be served with

water the owner would be responsible for all costs associated with extending and connecting to the public line.

City sewer will be available by connecting to the 8-inch line located within West Gate City Boulevard. In order for this site to be served with sanitary sewer the owner would be responsible for all costs associated with extending and connecting to the public line.

The City's Fire Department notes that this site is currently served by Pinecroft Sedgefield Station #23 located on MacKay Road (west of the site). Upon annexation the site will continue to be served by Pinecroft Sedgefield Station #23 based on a long standing monetary contract GFD maintains with PSFD. Station #10 would be the closest city station. Service to this location would remain the same or improve for single unit incidents. Service to this location on multi-unit incidents would improve based on response times and staffing.

The Police Department can provide comparable response service to the property under consideration as of the date of annexation. Additional resources may be required as development on the subject property and/or additional annexation in the general area occurs.

Field Operations could service this property for sanitation services if requested. Commercial properties are not eligible for curbside cart services and would need to have a subscription service with either the City or a private provider.

Provision of other City services will involve a travel distance almost equal to that necessary to provide service to the previously-annexed property located to the northwest and southwest.

**BUDGET IMPACT:**

Initial service will be absorbed in the budget; future services will have an incremental effect on future budgets.

**ACCOUNT NUMBER:**

N/A

**RECOMMENDATION / ACTION REQUESTED:**

The Technical Review Committee (TRC) recommended this annexation to the Planning and Zoning Commission and to City Council.

The Planning and Zoning Commission recommended approval/denial of this annexation at its June meeting on a vote of 7-0.

Accordingly, it is recommended that City Council hold a public hearing to receive public comment and to consider adoption of an ordinance annexing the above-mentioned property into the City of Greensboro.
