PURPOSE:

Sand Dollar Investments, LLC is requesting annexation of the property located at 2805 Kings Mill Road, generally described as east of Kings Mill Road and southeast of North Danby Castle Road. As this request is a voluntary annexation petition, the City Council will conduct a public hearing to consider and take action on this request at its August 16, 2022 meeting.

BACKGROUND:

This noncontiguous annexation is within the boundary of Growth Tier 1 on the Anticipated Growth Maps in the Comprehensive Plan.

City water will be available by connecting to the 6-inch line located within Kings Mill Road. In order for this site to be served with water the owner would be responsible for all costs associated with extending and connecting to the public line.

City sewer will be available by connecting to the 8-inch line located within Kings Mill Road. In order for this site to be served with sanitary sewer the owner would be responsible for all costs associated with extending and connecting to the public line.

The City's Fire Department notes that this site is currently served by Pinecroft Sedgefield Fire Station #23 on Mackay Road (west of the site). Upon annexation the site will be served by City Station #10 on West Gate City Boulevard (northeast of the site). Service to this location will improve based on station proximity and personnel numbers.

The Police Department can provide comparable response service to the property under consideration as of the date of annexation. Additional resources may be required as development on the subject property and/or additional annexation in the general area occurs.

Field Operations could service this location for sanitation services.

Provision of other City services will involve a travel distance almost equal to that necessary to provide service to the previously-annexed property located to the north and west.

BUDGET IMPACT:

Initial service will be absorbed in the budget; future services will have an incremental effect on future budgets.

RECOMMENDATION / ACTION REQUESTED:

The Technical Review Committee (TRC) recommended this annexation to the Planning and Zoning Commission and to City Council.

The Planning and Zoning Commission recommended approval of this annexation at its July meeting on a vote of 9-0.

Accordingly, it is recommended that City Council hold a public hearing to receive public comment and to consider adoption of an ordinance annexing the above-mentioned property into the City of Greensboro.
