As agreements are established for projects of more than \$100,000, additional agreements will be brought to Council for consideration.

American Rescue Plan Act funding in the amount of \$59.4 million was awarded to Greensboro with the first allocation of \$29.7 million received by the City on May 19, 2021 and the remaining funds received by the City on June 21, 2022. The grantor, U.S. Treasury, has provided guidance

on the use of funds, including for purposes of recovering revenue losses of the City. Grant funds can be used for authorized government services under this category.

Staff will administer the recording of general government expenses using these funds in accordance with the guidance provided by U.S. Treasury, making available General Fund general revenues to support projects such as this identified through the American Rescue Plan Act process by City Council.

**BUDGET IMPACT:**

A transfer from the American Rescue Plan Act Special Revenue Fund grant will fund government services expenditures in the General Fund, allowing general revenues to support \$2,514,466 of expenditures for these requests.
