**Zoning Amendment Statement by City Council on Consistency with Adopted
Comprehensive Plan and Reasonableness**

The **Greensboro City Council** believes that its action to **approve/deny** the original zoning request for the property at **a portion of West Gate City Boulevard and Queen Alice Road rights-of-way from County MXU (Mixed Use), County RS-40 (Residential Single-family 40), County CZ-HB (Conditional Zoning-Highway Business) to City C-M (Commercial-Medium)** to be **consistent** with the adopted GSO 2040 Comprehensive Plan and considers the action taken to be reasonable and in the public interest for the following reasons: **[choose from the following based on the motion]**

Factors that support approval of the original zoning request:	Factors that support denial of the original zoning request:
<ol style="list-style-type: none"> 1. The request is consistent with the Comprehensive Plan’s Future Built Form Map and Future Land Use Map. 2. The proposed City C-M zoning district permits uses which fit the context of surrounding area and limits negative impacts on the adjacent properties. 3. The request is reasonable due to the size, physical conditions, and other attributes of the area, it will benefit the property owner and surrounding community, and approval is in the public interest. 4. Other factors raised at the public hearing, if applicable (describe) 	<ol style="list-style-type: none"> 1.
