PURPOSE:

A resolution needs to be approved to authorize Supplemental Agreement #1 with NC Department of Transportation for EB-5878 Meadowview Sidewalk and Bike Lanes Project.

BACKGROUND:

Project EB-5878 will construct new sidewalk, repair and upgrade existing sidewalk and pedestrian crossing facilities, and improve the bicycle lane configuration on both sides of Meadowview Road from Randleman Road to Elm-Eugene Street. The project will improve pedestrian safety, accessibility, and mobility, and connect residents to transit and retail businesses. NCDOT agreed to reimburse the City for 80% of eligible design, right-of-way, and construction costs after the Metropolitan Planning Organization (MPO) submitted the project for consideration under the Prioritization 4.0 project selection process. The Right-of-way acquisition phase was recently completed and construction is scheduled for FY 2024.

Based on a recent construction cost estimation analysis NCDOT has agreed to increase funding for the project to maintain an 80% federal funding share.

Vision Statement: "A Community with Endless Economic Opportunities and Exceptional Quality of Life."

BUDGET IMPACT:

Supplemental Agreement #1 will increase funding for this project as follows:

\$436,880	Federal Grant (80%)
<u>\$109,220</u>	2016 Transportation Bond Fund (20%)
\$546,100	

ACCOUNT NUMBER:

Funding for the local match will come from 2016 Transportation Bond Fund account 481-45-4599139.6401.

RECOMMENDATION / ACTION REQUESTED:

It is recommended that City Council approve the attached resolution authorizing Supplemental Agreement #1 with NC Department of Transportation for EB-5878 Meadowview Sidewalk and Bike Lanes Project.
