Contact 2 and Phone: Marshall Yandle, Ext 2434

PURPOSE:

The City of Greensboro has been requested to consider an economic development incentive grant in an amount not to exceed \$536,252 to Project Aggie, considering a Greensboro site at 238 Ritters Lake Road for a new facility in addition to other options within the United States. The incentive grant is for the purposes of making real property improvements, purchasing new equipment and machinery, and creating jobs.

BACKGROUND:

Project Aggie is currently headquartered in Greensboro. It is a light manufacturing and distribution equipment company with locations across the Southeast.

Project Aggie currently employs approximately 113 full-time, North Carolina residents in Greensboro, and is considering a location at 238 Ritters Lake Road for a consolidation of its three existing Greensboro facilities. If the proposed project moves forward the company plans to invest \$30,000,000 and create 40 new jobs.

The average wage for the new full-time positions will be approximately \$64,250 with additional benefits and no new jobs will pay below \$18.00 per hour. The project is expected to generate

Vision Statement: "A Community with Endless Economic Opportunities and Exceptional Quality of Life."

public benefit to the City of Greensboro by positively impacting the property and sales tax revenues in addition to increasing business prospects for the City and surrounding area. This project would be subject to the City's Minority/Women Business Enterprise Program Plan as it applies to Economic Development Project M/WBE Subcontracting Goals.

BUDGET IMPACT:

Annual installments to be paid to the company after the new jobs are created and the investment is confirmed. The company expects to create 40 new jobs on or before December 31, 2028. The incentive grant will expire if the new jobs are not created, and the investment is not made on or before December 31, 2025. The company is also eligible for an additional \$250 incentive per job for any new employee whose permanent address is located in an Impact Zone or who is hired through NCWorks Career Centers.

101-02-0205001.5933

RECOMMENDATION / ACTION REQUESTED:

It is recommended that City Council, in accordance with the City's economic development guidelines and N.C.G.S § 158-7.1, hold a public hearing and approve the request for an economic development grant and authorize the City Manager to execute a performance agreement between the City of Greensboro and the company, in an amount not to exceed \$536,252 to be paid in annual installments. The agreement will have a claw-back provision that requires the new jobs be maintained for a certain period of time and capital investment be made as per the incentive grant agreement.
