Contact 2 and Phone: Kristine Williams, Ext. 2556

PURPOSE:

The Water Resources Department requests City Council to recognize the winners of the Water Conservation Poster Contest in celebration of Drinking Water Week.

BACKGROUND:

The City of Greensboro Water Resources sponsored a poster contest for Guilford County students from kindergarten to eighth grade. The contest theme, "Be a Water Wizard," aimed to educate students attending local public and private schools and homeschool associations about the vital role of water for all of us and the importance of conserving water. First, second, and third place winners were selected within two divisions: K-2 and 3-5. Winners of each division will represent Greensboro in a statewide poster contest sponsored by NC One Water.

BUDGET IMPACT:

N/A
