The Mayor announced that this was the hour and day of the public hearing on a trust agreement or similar installment financing arrangement (the “Agreement”) to be entered into by the City of Greensboro, North Carolina (the “City”) pursuant to Section 160A-20 of the General Statutes of North Carolina, as amended, providing for the issuance of limited obligation bonds (the “Bonds”) in an aggregate principal amount not to exceed \$47,500,000 for the purpose of providing funds, together with other available funds, to (a) pay the costs of (i) acquiring, constructing and equipping a new fleet servicing garage and (ii) various capital improvement projects and equipment acquisitions including, without limitation, yard waste collection carts, parks and recreational facilities improvement and equipment, improvements to the Greensboro Science Center, the Cultural Arts Center and the Heritage House, library improvements, solid waste transfer station improvements, police facility security improvements, streetscape and crosswalk improvements, including lighting and other corridor improvements, office renovations and other miscellaneous items (collectively, the “Project”) and (b) pay certain financing costs relating thereto. If the City enters into the proposed Agreement, it will secure its obligations thereunder by executing and delivering a deed of trust granting a lien on the site of the new fleet servicing garage constituting a portion of the Project, together with all improvements or fixtures located or to be located thereon, subject to certain permitted encumbrances.

Section 160A-20(g) of the General Statutes of North Carolina requires that the City hold a public hearing prior to entering into the Agreement.

The Mayor acknowledged due publication of the notice of public hearing in a newspaper with a general circulation in said City and directed the City Clerk of the City to attach the affidavit showing publication in said newspaper on a date at least ten (10) days prior to the date hereof as Exhibit A.

The Mayor then announced that the City Council would immediately hear anyone who might wish to be heard on the proposed Agreement and Bonds as described above.

A list of all persons making comments and a summary of such comments are attached as Exhibit B.

The public hearing was closed.

All statements and comments by participants of the public hearing were duly considered by the City Council.

Thereupon, Council Member \_\_\_\_\_ introduced the following resolution the title of which was read and a copy of which had been previously distributed to each Council Member:

**RESOLUTION MAKING CERTAIN FINDINGS AND DETERMINATIONS REGARDING THE PROPOSED FINANCING OF A NEW FLEET SERVICING GARAGE AND VARIOUS CAPITAL IMPROVEMENT PROJECTS AND EQUIPMENT ACQUISITIONS FOR THE CITY OF GREENSBORO, NORTH CAROLINA AND REQUESTING THE LOCAL GOVERNMENT COMMISSION TO APPROVE THE FINANCING ARRANGEMENT**

BE IT RESOLVED by the City Council (the “City Council”) of the City of Greensboro, North Carolina (the “City”) as follows:

Section 1. The City Council does hereby find and determine as follows:

(a) The City has determined to pay the costs of (i) acquiring, constructing and equipping a new fleet servicing garage and (ii) various capital improvement projects and equipment acquisitions including, without limitation, yard waste collection carts, parks and recreational facilities improvement and equipment, improvements to the Greensboro Science Center, the Cultural Arts Center and the Heritage House, library improvements, solid waste transfer station improvements, police facility security improvements, streetscape and crosswalk improvements, including lighting and other corridor improvements, office renovations and other miscellaneous items (collectively, the “Project”).

(b) After a public hearing and due consideration, the City has determined to enter into a Master Trust Agreement and a First Supplemental Trust Agreement (collectively, the “Trust Agreement”) between the City and U.S. Bank Trust Company, National Association, as trustee (the “Trustee”), pursuant to which the City will issue limited obligation bonds thereunder in an aggregate principal amount not to exceed \$47,500,000 (the “Bonds”) to provide funds, together with other available funds, to (i) pay the costs of the Project and (ii) pay the fees and expenses incurred in connection with the sale and issuance of the Bonds.

(c) In order to secure its obligations under the Trust Agreement, the City will execute and deliver a Deed of Trust (the “Deed of Trust”) for the benefit of the Trustee granting a lien on the site of the new fleet servicing garage constituting a portion of the Project, together with all improvements or fixtures located or to be located thereon, subject to certain permitted encumbrances.

(d) It is in the best interest of the City to enter into the Trust Agreement and to issue the Bonds pursuant thereto in that such plan of finance will result in the financing of the Project in an efficient and cost effective manner for the City.

(e) Entering into the Trust Agreement and issuing the Bonds pursuant thereto is preferable to a general obligation bond and revenue bond issue in that (i) the City does not have sufficient constitutional authority to issue non-voted general obligation bonds pursuant to Article V, Section 4 of the North Carolina Constitution because the City has not retired a sufficient amount of general obligation debt in the preceding fiscal year to issue a sufficient amount of general obligation bonds for the financing of the Project; (ii) the nature of the financing does not allow for the issuance of revenue bonds to finance the Project; (iii) the costs of financing the Project exceeds the amount to be prudently provided from currently available appropriations and unappropriated fund balances; (iv) the circumstances existing require that funds be available to finance the Project as soon as practicable and the time required for holding an election for the issuance of voted general obligation bonds pursuant to Article V, Section 4 of the North Carolina Constitution and the Local Government Bond Act will delay the commencement of the Project by several months; and (v) there can be no assurances that the issuance of general obligation bonds to finance the Project would be approved by the voters and the current interest rate environment dictates the financing of the Project be accomplished in a timely and expedient manner.

(f) Based upon information provided to the City Council, the costs of the financing described above is reasonably comparable to the costs associated with other alternative means of financing and is acceptable to the City Council.

(g) Counsel to the City will render an opinion to the effect that the proposed undertaking as described above is authorized by law and is a purpose for which public funds may be expended pursuant to the Constitution and laws of the State of North Carolina.

(h) The debt management policies of the City have been carried out in strict compliance with law, and the City is not in default under any obligation for repayment of borrowed money.

(i) No ad valorem tax rate increase is currently expected to be necessary to pay principal of and interest on the Bonds.

Section 2. The City Council hereby authorizes, ratifies and approves the filing of an application with the Local Government Commission for approval of the Bonds and the Trust Agreement and requests the Local Government Commission to approve the Bonds and the Trust Agreement and the proposed financing in connection therewith.

Section 3. The following financing team members are hereby approved by the City in connection with the proposed financing:

Co-Bond Counsel:                   Womble Bond Dickinson (US) LLP  
  McKenzie & Associates

Underwriters:                       Wells Fargo Bank, National Association  
  Loop Capital Markets LLC

Underwriters' Counsel: Robinson, Bradshaw & Hinson, P.A.

Trustee: U.S. Bank Trust Company, National Association

Section 4. This resolution shall take effect immediately upon its adoption.
