PURPOSE:

Kristy Lynn and Bill Dean Buckner are requesting annexation of the property located at 5019 Summit Avenue, generally described as northwest of Summit Avenue and northeast of I-840.

As this request is a voluntary annexation petition, the City Council will conduct a public hearing to consider and take action on this request at its **September 24, 2024** meeting

BACKGROUND:

This property is located within the Tier 1 Growth Area on the Growth Strategies Map in the Comprehensive Plan.

City water is available by connecting to the 36-inch water line on Summit Avenue.

City sewer is available by connecting to the ten inch sewer line located approximately 1,288 linear feet northwest of the request.

Vision Statement: "A Community with Endless Economic Opportunities and Exceptional Quality of Life."

The City's Fire Department notes that this site is currently served by Fire District 13 Station 55 on Hicone Road (east of the request). Upon annexation, Fire District 13 Station 55 will continue to serve the property based on a longstanding contract between Fire District 13 and Greensboro Fire Department. City Station 14 would be the second closest unit. The City Fire Department can meet the Standard of Cover to this location with existing stations and personnel.

The Police Department can provide service to the site with no effect. The Police Department can provide comparable response service to the property under consideration as of the date of annexation. Additional resources may be required as development on the subject property and/or additional annexation in the general area occurs.

City Solid Waste can provide collection services to this location.

BUDGET IMPACT:

Initial service will be absorbed in the budget; future services will have an incremental effect on future budgets

RECOMMENDATION / ACTION REQUESTED:

The Technical Review Committee (TRC) recommended this annexation to the Planning and Zoning Commission and to City Council at its July 31, 2024 meeting

The Planning and Zoning Commission recommended approval of this annexation at its August 19, 2024 meeting on a vote of 8-0 and the meeting minutes are included with the associated zoning item.

Accordingly, it is recommended that City Council hold a public hearing to receive public comment and to consider adoption of an ordinance annexing the above-mentioned property into the City of Greensboro
