PURPOSE:

City Council consideration is requested for a budget ordinance amending the FY 22-23 HOME Program Grant Project Budget Ordinance for the Greensboro and Guilford Consortium.

BACKGROUND:

The Housing and Neighborhood Development Department's FY 22-23 HOME program grant project budget ordinance, including entitlement funding and estimated program income, was approved by City Council in July 2022.

Beginning with grant year 2015, HUD program regulations changed and now require grant-based accounting for the City's HOME program which means that program income received during the fiscal year must be reconciled with the federal system and recognized in the City's budget. The amount of program income received in FY 22-23 for the HOME program was more than the estimate at the beginning of the year. The requested ordinance amendment will correctly recognize the actual program income received by the City.

BUDGET IMPACT:

Vision Statement: "A Community with Endless Economic Opportunities and Exceptional Quality of Life."

The increased appropriation for the FY 22-23 HOME Program, in the amount of \$72,510, is reflected in the attached ordinance.

ACCOUNT NUMBER:

213-90-9098203.5439: \$17,250

213-90-9098205.5282: \$55,260

RECOMMENDATION / ACTION REQUESTED:

It is recommended that City Council approve the budget ordinance amending FY 22-23 HOME Program Grant Project Budget Ordinance for the Greensboro and Guilford Consortium.
