PURPOSE:

Water Resources Department is requesting approval for a professional services contract for engineering services for the TZO Generators Improvements. City Council approval of a contract with Hazen and Sawyer, PC in the amount of \$1,000,000 is requested.

BACKGROUND:

The City of Greensboro Water Resources Department requires engineering evaluation, design and construction management for the replacement of the main backup power generators for the T. Z. Osborne Water Reclamation Facility. The existing generators have reached their life span. This project is needed to continue to support operations of the plant during emergencies.

Hazen and Sawyer, PC is on the City of Greensboro Water Resources On-Call list for Professional Services. The team assembled by Hazen and Sawyer, PC includes JC Waller & Associates, a local MBE firm for 3.70% and Crittek Engineering, an MBE for 17.40%.

BUDGET IMPACT:

Funding in the amount of \$1,000,000 is budgeted in the Water Resources Capital Improvement Fund.

Vision Statement: "A Community with Endless Economic Opportunities and Exceptional Quality of Life."

ACCOUNT NUMBER:
