PURPOSE:

The Parks and Recreation Department was given the opportunity to apply for an \$11,100 matching grant to support upgrades at and advertising for the Mabel D. Smith Active Adult Center. The grant requires a \$3,700 local match, for a total grant project budget of \$14,800. The current City grants policy requires Council approval for grants requiring match funds.

BACKGROUND:

The Piedmont Triad Regional Council Area Agency on Aging offers an annual grant opportunity that the Parks and Recreation Department plans to use to support improvements at Smith Active Adult Center. The funds will be used to purchase three pieces of fitness equipment, new activity tables, and advertising for the Greater Greensboro Senior Games and Silver Arts program.

The project provides health and wellness opportunities to City residents ages 50 and up and supports the Department's goals, strategies and objectives: to seek and partner with outside organizations to maximize human and financial resources and maintain viability through partnerships, grants, and volunteer efforts.

Vision Statement: "A Community with Endless Economic Opportunities and Exceptional Quality of Life."

BUDGET IMPACT:

Funds are available in the current Active Adults maintenance and operations budget. If the grant is approved and awarded, City funds will leverage \$3.00 in grant funds for every City dollar invested in the project. A budget adjustment and ordinance would be necessary to establish funds and a grant account for the project.
