PURPOSE:

A resolution needs to be approved to authorize Supplemental Agreement #2 with NCDOT for EB-5878 Meadowview Road Sidewalk and Bicycle Lane Project.

BACKGROUND:

Project EB-5878 will construct new sidewalk, repair and upgrade existing sidewalk and pedestrian crossing facilities, and improve the bicycle lane configuration on both sides of Meadowview Road from Randleman Road to Elm-Eugene Street. The project will improve pedestrian safety, accessibility, and mobility, and connect residents to transit and retail businesses. City staff has completed the right-of-way acquisition for the project, and the project is anticipated to be advertised for construction during the summer of 2025.

Supplemental Agreement #2 extends the timeline for completing the project 3 years beyond the current agreement date of July 1, 2025 allowing adequate time to complete the construction and close out the project. This agreement has no budgetary impact.

BUDGET IMPACT:

This agreement extends the timeline of the project and has no budgetary impact.
