PURPOSE:

The bids for Contract 2023-0340, Atwater Drive Water Line Extension Project, have been received. In order for the work to proceed on this contract, City Council approval is requested for award of the contract to Jimmy R. Lynch & Sons, Inc. for \$1,137,775.

BACKGROUND:

Work to be performed under this contract consists of construction of approximately 2,430 linear feet of 8" ductile iron water line and 100 linear feet of 6" water line along with hydrants and valves along Atwater Drive. Patching, milling, and overlay of the roadway along with repair of impacted driveways after the installation of the water line will also be included in this contract.

The bids were opened on November 21, 2024, and the apparent lowest, responsive bidder was Jimmy R. Lynch & Sons, Inc. with a bid of \$1,137,775. The MWBE goals for this project are 14.0% MBE and 23.0% WBE. The contractor's commitments are 0.48% MBE and 10.10% WBE. Due to the fact the MWBE goals were not met by the low bidder, a Good Faith Effort review was conducted by the MWBE Department. Their review concluded that Jimmy R. Lynch & Sons, Inc. did not demonstrate sufficient Good Faith Efforts. An appeal to this determination

was made by Jimmy R. Lynch & Sons, Inc., and an appeal hearing was conducted. This appeal resulted in the original GFE review determination being overturned.
