PURPOSE:

The purpose of this ordinance is to appropriate grant funds from the United States Department of Housing and Urban Development (HUD). A budget ordinance needs to be approved by the City Council to permit the expenditure of funds.

BACKGROUND:

The City has a Memorandum of Understanding (MOU) between HUD and the Human Rights Department designating the department as a Fair Housing Assistance Program. Human Rights receives federal monies for cases that are required to be investigated under the City's Fair Housing Ordinance.

The department receives a recurring grant annually from HUD based on the number of fair housing cases investigated the previous fiscal year. An agreement with the City of Greensboro and federal government, related to its receipt of fair housing federal grant funds requires the City to affirmatively further fair housing. The City's Fair Housing Ordinance and its Fair Housing Assistance Program are two of the ways that Greensboro meets this commitment.

BUDGET IMPACT:

Net increase of \$49,984 in available funds.

Vision Statement: "A Community with Endless Economic Opportunities and Exceptional Quality of Life."
