PURPOSE:

This amendment is necessary for Guilford Metro Communications Fund (687) to reimburse the Emergency Telephone Systems Fund (281) for expenses that were ineligible in FY23-24. The appropriation of fund balance from the Guilford Metro Communications Fund (687) is necessary to reimburse the NC State 911 Board for ineligible expenses in the Emergency Telephone Systems Fund (281).

BACKGROUND:

The North Carolina State 9-1-1 Board receives funds associated with telephone fees for all Primary Public Safety Answering Points in the state of North Carolina. They are tasked with providing funding within the scope of general statute for necessary technologies. Based on the current model PSAPs are assessed under, Guilford Metro has to pay back funds that were deemed by staff as ineligible.

BUDGET IMPACT:

The ordinance reimburses the Emergency Telephone Systems Fund (281) for expenses from FY23-24 that were deemed ineligible by the NC State 911 Board. The reimbursement will be made by the Guilford Metro Communications Fund's (687) fund balance.
