### PURPOSE:

A resolution is requested to authorize a contract addendum totaling \$3,725,950 for RATP Dev USA Inc. to provide additional transit services not included in the original contract.

### BACKGROUND:

At the March 1, 2022 meeting, City Council approved a five-year contract to RATP Dev for the Management and Operation of Transit Services provided by the Greensboro Transit Agency.

During FY 2023-2024, GTA implemented several fixed route enhancements that increased the overall operating and maintenance costs. The services added were the Downtown Trolley which offers free fare; Route 15 (Yanceyville St/Brightwood School Rd) shifted from an hourly to thirty minute headways service one-way fare; and the Crosstown Route (CrossMax Purple) which both operates at the regular \$1.50 one-way fare.

The Year 3 (July 1, 2024 through June 30, 2025) maximum amount approved in the RATP Dev contract is \$24,103,188. An additional \$3,725,950 is required in operations and maintenance funding for the services, increasing the Year 3 contract amount to \$27,829,138. The overall contract will increase to \$126,566,123.

*Vision Statement: "A Community with Endless Economic Opportunities and Exceptional Quality of Life."*

**BUDGET IMPACT:**

Funding for \$3,725,950 is budgeted in the CrossMax Purple Grant account (Year 1) and the Transit Department Fund account.

**ACCOUNT NUMBER:**

567-47-4798021.5423 = \$1,968,333

564-47-4731002.5423 = \$1,757,617

**RECOMMENDATION / ACTION REQUESTED:**

It is recommended that City Council approve the attached resolution to authorize a contract addendum totaling \$3,725,950 to pay RATP Dev USA Inc. to provide additional transit services not included in the original scope of service.
