### PURPOSE:

The Water Resources Department requests that City Council recognize the winners of the Water Conservation Poster Contest, which celebrates the value of drinking water and the importance of conserving it year-round.

### BACKGROUND:

The City of Greensboro Water Resources sponsored a poster contest for Guilford County students from kindergarten to eighth grade. The contest theme, "Making Waves by Saving Water," aimed to educate students attending local public and private schools and homeschool associations about the vital role of water for all of us and the importance of conserving water. First, second, and third place winners were selected within three divisions: K-2, 3-5, and 6-8. Winners of each division will represent Greensboro in a statewide poster contest sponsored by NC One Water.
